Re: PSC Advisory Committee Meeting – July 12, 2019

to 227-E 2019-194-E to 197-E, 2019-207-E to 212-E**

Dear Ms. Boyd:

I have recently reviewed the Agenda which has been posted for the above referenced meeting to be held on July 12, 2019. This Agenda indicates that the purpose of the meeting is to discuss “Procedural Issues” related to the above referenced dockets. However, I cannot find any information to indicate that the Commission has in any way notified the parties or their representatives in these dockets. As these are open dockets pending before the Commission, it concerns me that the parties have not been provided notice of the Commission’s intent to discuss and determine the what, when and where of how these dockets will be handled by the Commission.

While ORS is certainly not opposed to the Commission Staff’s efforts to coordinate these dockets, I do believe that the specific nature of this Advisory Committee Meeting requires notification of all parties.

Yours truly,

Jeffrey M. Nelson
